

Outpost 160 "The Quarter" Newsletter

Commander Ken's Corner

It's hard to believe that we are here in our third quarter already. As time flies by and our young men grow up, we have witnessed a great second quarter. Numerous awards were issued to Outpost 160 at both Sectional Pinewood Derby and the Sectional Pow Wow. Our Outpost has grown more spiritual through the many devotions and council fires over the past three months. It is a blessing to a Commanders heart to see the fruits of his labor right before his eyes as we are. Our young men brought home first place plaques in both age groups for Bible knowledge from our Sectional Pow-Wow. Outpost 160 had also put together one of the best campsites that I have ever seen for

the competition. Both leaders and rangers deserve applause for what was accomplished in one weekend. Our young men are the best and are the ones to be followed both physically and spiritually. Devotion after devotion, we grow closer together and closer to God. Hearts are being opened and filled every time we gather around our campfires. What an awesome place to be, when we share the Glory of our Lord together. We have grown to learn how to pray for one another, and to work and play as a team of young Christian men. As leaders and parents we are proud of the many accomplishments of our rangers. The award ceremony put medals on our

young men that were well earned. We look forward to this coming quarter to advance even further in all that we set forth to do. Again I can't express enough thanks to the Ranger Dads for your support in prayers and in your giving. You are a vital part in what is happening with Outpost 160. We are truly covered by mighty prayer warriors of our church.

Setting camp up in Heaven,
Commander Ken Morgan

Ranger Kids

Ranger Parents,

Our Ranger Kids are getting ready to host the Annual Ranger Kids Field Day on July 17th. This event is opened to all outposts in our section. This year it will be held at Churchland Assembly of God. Our Ranger Kids will have the opportunity to play and fellowship with other boys their age. It is looking to be a very wet event that will make memories of a lifetime. Our Ranger Kids are about to set out on an advancement trail that includes not only merits and awards, but also a spiritual path for their future. We are preparing for older Ranger Kids to move into Discovery Rangers and accept young men from Rainbows.

We as an outpost are looking to add an outing for the Rangers Kids this year. It will be a day outing that we will keep you posted on. The Ranger Kids Field day and other event information will be to you soon. We thank all the Ranger Kids Parents for being faithful in attendance. Missing meetings will cause the boys to miss so much on this new advancement trail. It will be hard to catch up. Keep our Ranger Kids in prayer, for they are our future and we as Commanders are helping to direct their path.

"Ready."
 MEANING OF MOTTO:
Ready for anything!
 Ready to work, play, serve,
 worship, live, and obey God's Word.

THE
GOLDEN RULE:
 "In everything, do to others
 what you would
 have them do to you"
 (Matthew 7:12).

Discovery Rangers

I would like to say that the Discovery Rangers have been working hard to earn all their awards and have made me proud. I can say that I have never seen a group of young men work so hard and with so much motivation towards achieving an award and earning respect from other rangers in the outpost. When we went to the Sectional Pow-Wow I saw the boys stand up and take charge and get

everything that needed to get done accomplished and done in time. During the campout the Discovery Rangers showed a new level of maturity and responsibility. As one of the Commanders for the boys, I felt proud and honored with the way they acted around other rangers in their age group. Also they showed lots of respect towards all the Commanders, not just in our outpost but in the

entire Pow-Wow. I encourage all the parents to help and support their boys as they continue their growth in God and as a young men. Thank you parents for your support in the ministry. Take care and God Bless.

Commander Jonathan Maldonado
Commander Brian Dobmeier

Adventure Rangers

The Adventure Rangers of Outpost 160 are maturing spiritually, having great fun, and are amazingly successful in their competitions. They work hard, and it shows when they take home trophies, medals, and ribbons. Being an Adventure Ranger provides the opportunity for a boy to learn, grow, and excel both as an individual and as a team player. The Adventure Rangers' preparation and study enabled them to win at the Sectional Pow-Wow in June 2010; the life-lessons experienced in Royal Rangers will also help them to excel in life.

The Adventure Rangers are looking

forward to the District Pow-Wow in August 2010. There will be great demonstrations, fun games, and more opportunities to demonstrate all that they have learned. Again, the Adventure Rangers have worked hard these last months, and they are ready for all the fun that the Pow-Wow brings!

The Adventure Rangers is an exciting part of the Royal Ranger program that seeks to grow the whole boy. The boys are impacted in at least four major areas of their lives:

- Physically: Their bodies will grow strong through proper exercise and diet.
- Spiritually: Their spirits will grow strong

through prayer, Bible study and witnessing.

Mentally: Their minds will grow strong by reading, studying, and memorizing Scripture.

Socially: Their relationships with people will grow strong as they learn to develop Godly healthy relationships.

Serving your boys for Christ,
Rev. Shaun Clark
Commander Javier Montanez
Commander Doug Burkhouse

<ul style="list-style-type: none"> • Wednesdays Royal Rangers Meet at 7:00 P.M. • 2nd Sectional Commander's Meeting (GTC) • 5th Mission Sunday First Sunday of the month Rangers wear Uniform to church • 10-12th Trail builder Camp (Wakefield)

Expedition Rangers

The Expedition Rangers group is moving forward in aiding it's members to achieve the Royal Ranger's highest medal, the GMA, The Gold Medal Of Achievement. During this next quarter the Expedition Rangers will begin working on the physical fitness, CPR First Aid and Bachelor merits. All of which are required gold

merits for the GMA. A few select boys will be pulled from the FCF red merit classes to work along side the Expedition Rangers to also earn these merits.
